Resignation of Rev. Cranmer

At the annual parish meeting of the First Universalist church of Morrisville last Thursday evening Rev. R. D. Cranmer tendered his resignation to take effect Nov. 15, in order that he might become the pastor of the All Souls Universalist church in Cleveland, Ohio. While the members of the local church were reluctant to lose the services of Mr. Cranmer, in view of the fact that he is called to a larger field of opportunity, they voted to accept the resignation and Mr. Cranmer will preach his last sermon here Sunday, Nov. 12.

Rev. Mr. Cranmer is a graduate of St. Lawrence University in the class of 1912 and he has been located in Morrisville since June of that year. During his pastorate the church has been prosperous in all departments. During the past year \$1000 has been laid out in repairs upon the building and the church is out of debt. As a citizen Mr. Cranmer has been active and progressive in all public enterprises and the removal of Mr. and Mrs. Cranmer from Morrisville will be sincerely regretted, not only in the church but by a very large number of warm friends outside of that society. The retiring pastor has been especially interested in the young people of his flock and through his generous efforts the Y. P. C. U. has been responsible for many successful and meritorious entertainments which have been much enjoyed by the community.

Mrs. Cranmer and the children will visit her parents in Northern Pennsylvania for a few weeks before going to Cleveland. On the last Monday in October the superintendent of Universalist churches in Vermont and the Province of Quebec will meet the church committee and arrange for supplies, which will include candidates. It is planned that services will be held each Sunday until a new pastor is engaged.

THE DROWNE STORE

THE STYLE CENTER OF LAMOILLE COUNTY

WE HAVE Just the SUIT or COAT YOU WANT

The manufacturers find it absolutely necessary to advance the prices of some garments every day, owing to the scarcity of materials, which means that when we buy more we shall have to pay more and shall be obliged to charge more. Why not buy now and save the advance, which is sure to come? Saving money is the easiest way of making it. Our Suits and Coats are marked from \$2.00 to \$5.00 less than similar garments sold elsewhere. Everything marked in plain figures. Your money back, if you say so.

Special Sale of Ladies' High Cut Boots

If you are thinking of a pair of High Cut Boots, this is just the opportunity you have been waiting for, as we are showing some very snappy styles, with the latest toe and heel, at \$4.00 per pair, either lace or button. These boots would surely cost you \$5.00 if bought elsewhere. Don't fail to see them.

Ladies' Heavy Gloves in Kid and Wool

Our Washable Kid Gloves are very popular, just at present, as they are heavier than ordinary Kid Gloves and the washable feature is a big item. Our Wool Gloves, with long wrists are also very popular.
